ZOO TIPS

- 1** Plastic lids and straws, pets, skateboards and bicycles are not permitted in the Zoo for the safety of the animals.
- 2** Keep food to yourself - the animals are on special diets.
- 3** Be safe. Don't throw things at the animals or climb on exhibits.
- 4** Have fun! You'll see animals from around the world; some may be more comfortable around guests or in today's weather than others. Be patient: every visit to the Zoo is unique!
- 5** Some animals may go off exhibit 30 minutes before closing time or during inclement weather.
