2024 OPEN HOUSE PARK CONCEPTS SURVEY

Q1 Would you support this 20-year master plan for Northeast Park?

Answered: 376 Skipped: 14

ANSWER CHOICES	RESPONSES	
Yes	81.91%	308
No	18.09%	68
TOTAL		376

#	OTHER COMMENTS:	DATE
1	No pool	5/17/2024 6:52 PM
2	We need an aquatic center	5/17/2024 6:51 PM
3	😊🐟	5/17/2024 6:50 PM
4	I like it how it is. It's peaceful:)	5/17/2024 6:26 PM
5	Eisenhower already has baseball fields. Are these large or small baseball fields? I am ok with soccer fields added on this side of town.	5/17/2024 5:22 PM
6	Too concerned about that park being in a flood plane as it's too close to the river	5/17/2024 4:36 PM
7	As long as it stays run-able I support it	5/17/2024 4:33 PM
8	Will ball fields have fencing to allow For paid fencing into tournaments. Also turf fields and improve drainage	5/17/2024 4:16 PM
9	Should have one regulation sized field for baseball.	5/17/2024 3:44 PM
10	THIS WOULD BE AWESOME	5/17/2024 3:24 PM
11	I would encourage another sidewalk access to the ball field complex from the prairie parking area.	5/17/2024 2:37 PM
12	I don't like how a lot of the wide open green space is eliminated.	5/17/2024 1:02 PM
13	Could use additional parking.	5/17/2024 12:41 PM
14	No accessible tennis courts	5/17/2024 12:29 PM
15	No accessible tennis courts there	5/17/2024 12:28 PM
16	In recent weather events, there has been a lot of concern about the city not having publicly accessible tornado shelters. This neighborhood has limited access due to the high water table	5/17/2024 11:47 AM

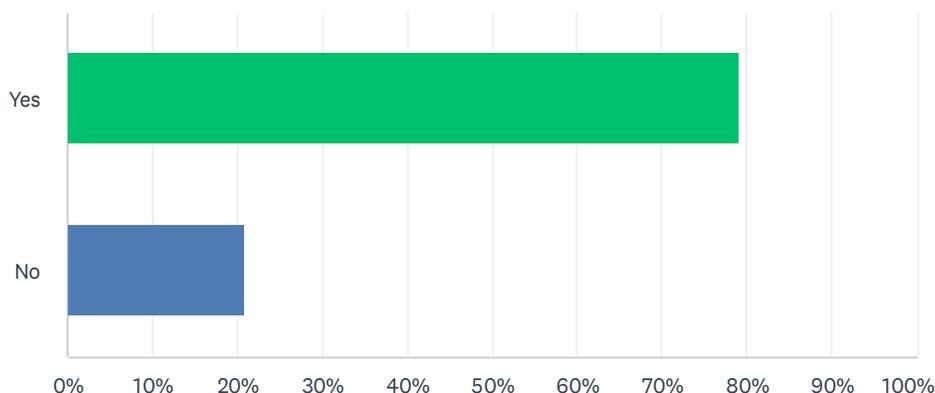

Manhattan Park System Master Plan - 20-Year Park Master Plan Concepts

and limited basements or hardened structures to access, especially in the middle of the night. Including safe structures, open when dangerous weather is anticipated, would be a great benefit for this part of the community.

17	Great use of flood plain	5/17/2024 11:33 AM
18	Indoor pool	5/17/2024 10:56 AM
19	Too isolated. Funds should be focused on parks closer to residences.	5/17/2024 10:51 AM
20	Need a pool	5/17/2024 10:49 AM
21	This is a much needed improvement for the east side of town and long overdue.	5/16/2024 10:24 PM
22	We desperately need more soccer and baseball fields in Manhattan especially on the east side. Annenberg park is a complete nightmare and unsafe for pedestrians due to the amount of cars there for sports. As a parent is stressful to race across town for a kids practice or game only to sit on traffic on Anderson to turn into the park and then to try and find parking.	5/16/2024 10:07 PM
23	Maybe part.	5/16/2024 9:36 PM
24	As a taxpayer, I deserve a chance to vote on all these plans.	5/16/2024 6:11 PM
25	I want the pool. It's a safe pool for parents and kids. Special toddlers.	5/16/2024 5:00 PM
26	I like it	5/16/2024 4:28 PM
27	Make a go cart place	5/16/2024 4:07 PM
28	Dolphin tank	5/16/2024 4:07 PM
29	Maybe.	5/16/2024 4:00 PM
30	Parking looks small	5/16/2024 3:44 PM
31	The city has not shown that they are capable of maintaining a building.	5/16/2024 3:32 PM
32	This would be really fun and it would make manhattan fun and cool	5/16/2024 3:05 PM
33	Stop raising taxes!	5/16/2024 10:56 AM
34	Overspending and not feasible at all in the local economy. Aaron seems to build with tax payers money and leave things and move along to scam some other city to build his resume	5/16/2024 9:34 AM
35	Where will this be on the NE side?	5/15/2024 11:41 PM
36	Don't raise taxes.	5/15/2024 9:12 PM
37	We have to stop spending money	5/15/2024 8:58 PM
38	I am concerned about possible flooding in that area, unless measures are taken to prevent the investment being damaged.	5/15/2024 8:44 PM
39	I live in the Northview area and even I would rather see Cico updated. This park needs A better play ground area instead of game playing field, fun for families in this area. The school playground should not be considered our neighborhood park like it is.	5/15/2024 8:05 PM

Q2 Would you support this 20-year master plan for Northview Park?

Answered: 377 Skipped: 13

ANSWER CHOICES	RESPONSES
Yes	79.05% 298
No	20.95% 79
TOTAL	377

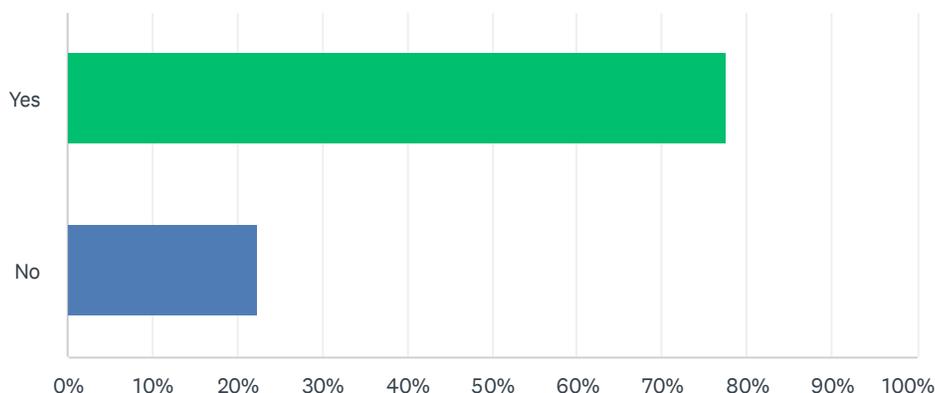

#	OTHER COMMENTS:	DATE
1	We need an aquatic center	5/17/2024 6:51 PM
2	😊🐟	5/17/2024 6:50 PM
3	More shelters, volleyball, additional basketball (doesn't need to be full size. Lots of play equipment for kids. There are a lot of kids in this area.	5/17/2024 5:22 PM
4	I like the loop path. Curious as to how long it would be	5/17/2024 4:33 PM
5	The area is a little rough but this would be nice	5/17/2024 3:24 PM
6	I would encourage the construction of a drop-off loop in front of the pool. The exchange of basketball and baseball backstop is a bit disappointing, but probably reflects current interest better.	5/17/2024 2:37 PM
7	I don't think there needs to be major improvements to 2 parks on the 'same side of town.'	5/17/2024 2:10 PM
8	Not enough parking for any event	5/17/2024 1:41 PM
9	No accessible tennis courts	5/17/2024 12:29 PM
10	No accessible tennis courts there	5/17/2024 12:28 PM
11	Community tornado shelter access would be beneficial due to the vast size of the neighborhood and access to safe spaces during anticipated tornado weather. Keeping a full pool and aquatic center in this park is also a smart investment into a neighborhood that faces inequity.	5/17/2024 11:47 AM
12	Desperately need indoor pool	5/17/2024 10:56 AM
13	Aquatics must stay in this park, glad to see it still in this plan. The other improvements would be welcome features and is desperately needed for this neighborhood.	5/16/2024 10:24 PM
14	Maybe part	5/16/2024 9:36 PM

Manhattan Park System Master Plan - 20-Year Park Master Plan Concepts

15	Manhattan should not equate a splash pad with a swimming pool. They are not equivalent. The Parks & Rec Department would greatly benefit from a leader who is sensitive to the community's heritage.	5/16/2024 6:11 PM
16	Add a pool in empty spot	5/16/2024 4:08 PM
17	Go-kart	5/16/2024 4:08 PM
18	Make a go cart place	5/16/2024 4:07 PM
19	Dolphin tank	5/16/2024 4:07 PM
20	Northview needs a swimming pool for the area children for swimming lessons and recreation while parents are working and weekend enjoyment.	5/16/2024 4:00 PM
21	As long as the current aquatics center stays	5/16/2024 3:34 PM
22	Keep Northview Pool!	5/16/2024 11:40 AM
23	Stop raising taxes and "bring your house in order", first!	5/16/2024 10:56 AM
24	Only if the pool STAYS! (The trail connection is the best part of this plan)	5/16/2024 10:23 AM
25	Overspending and not feasible at all in the local economy. Aaron seems to build with tax payers money and leave things and move along to scam some other city to build his resume	5/16/2024 9:34 AM
26	It is unclear what is being presented here. Earlier presentations included replacing pool with splash pad. I will not support removing the pool but if the pool stays I will support this plan.	5/16/2024 8:47 AM
27	Do not support tax increase to fund	5/15/2024 9:12 PM
28	Again, is this area in the flood zone? The parking appears limited. Why is Cico Park not an option for the indoor aquatic center???	5/15/2024 8:44 PM
29	Would not support a plan that removes the outdoor pool	5/15/2024 8:18 PM
30	Yes keep our NV pool.	5/15/2024 8:05 PM
31	No detail on aquatics.	5/15/2024 6:16 PM

Q3 Would you support this 20-year master plan for City Park?

Answered: 380 Skipped: 10

ANSWER CHOICES	RESPONSES	
Yes	77.63%	295
No	22.37%	85
TOTAL		380

#	OTHER COMMENTS:	DATE
1	While I wholeheartedly support an indoor aquatic facility city park is NOT the place for it. Cico or north view or anywhere else. City park should not be torn apart for an indoor facility.	5/19/2024 2:28 PM
2	The most important part is indoor aquatics	5/18/2024 4:40 PM
3	Love this can see a lot of work went into all aspects of this plan	5/18/2024 10:10 AM
4	We need a community pool that everyone can access, not one that needs a high cost membership!	5/17/2024 10:09 PM
5	I absolutely want an indoor aquatics center!!!	5/17/2024 7:05 PM
6	Support indoor pool; need a solution for now and this long term. Bubble Cico or City now, this is a long term plan	5/17/2024 6:52 PM
7	We need an aquatic center	5/17/2024 6:51 PM
8	😊🐟	5/17/2024 6:50 PM
9	Let's demolish some houses and build parking not on the open land. Why destroy the centrally located outdoor pool area? Seems suspect to remove such an accessible outdoor pool.	5/17/2024 6:26 PM
10	Terrible idea turns one of our most iconic green spots in Manhattan into a concrete frying pan for cars to park.	5/17/2024 5:55 PM
11	I want an indoor competition level pool, but not an entire indoor rec/water park complex. I want to keep the splash park we currently have (outside). No indoor rec center at City. Douglas Center serves that purpose. I DO want more outdoor basketball courts at City. I do not want to lose the baseball/softball diamonds. I want city park to remain outdoor activities and improve current amenities. I am for addition of a skate park. The fire station can help if there's a serious skate accident. Adding pickleball is only ok if the noise level for local residents is assessed first. I want a bigger ice skating rink and would prefer it someplace else.	5/17/2024 5:22 PM
12	I won't support any plan for City Park that removed the outdoor pool or one that takes away so	5/17/2024 5:01 PM

Manhattan Park System Master Plan - 20-Year Park Master Plan Concepts

much green space in the center of city, not only that, I would campaign against this plan with passion. However, our city needs an indoor aquatics center, build that same center literally anywhere else in city limits and I'd be very excited about supporting it.

13	Indoor pool is great	5/17/2024 4:33 PM
14	Unsure of support. Not wild about tearing down the existing outdoor aquatic center. Would support an indoor aquatic center. Would like to see the city invest in a public arts building. Use to offer more arts and craft class in community building. Classes were normally replaced when community building sold. A city own performance center would be utilized frequently.	5/17/2024 4:16 PM
15	Keep it the way it is.	5/17/2024 3:44 PM
16	I'm okay with the transition of uses, but would press for revisions of the proposed plan. If the future Aquatic and Rec center is going to have significant events, the singular vehicular access at Freemont and 14th St. seems less than ideal. Providing the vehicular access at N. Manhattan and Poyntz would seem more logical to permit efficient connection to Fort Riley Blvd. Furthermore, the promenade appears unrelated to any significant pedestrian path, especially the connection to 14th. Connecting N. Manhattan and the significant pedestrian flows from Aggieville would seem more fitting. I would keep at least one traditional baseball field/backstop and tennis court.	5/17/2024 2:37 PM
17	It is embarrassing that a town this size does not have an indoor aquatics center. Let's be forward thinking for once and get going with this plan. It is long overdue!	5/17/2024 1:36 PM
18	I don't think the new facility should be in city park.	5/17/2024 1:30 PM
19	I don't like the idea of putting in an aquatic center - I think thee outdoor pool and splash park are sufficient and maintaining the green space that is used so often by the community is important.	5/17/2024 1:02 PM
20	Manhattan is in desperate need for an indoor aquatic center, given its population. An indoor aquatic center would be beneficial to all types of people in the city if Manhattan.	5/17/2024 12:49 PM
21	Especially indoor pool.	5/17/2024 12:49 PM
22	No accessible tennis courts	5/17/2024 12:29 PM
23	No accessible tennis courts	5/17/2024 12:28 PM
24	Leave it the way it is! It's just fine! Do something with Cico!	5/17/2024 12:18 PM
25	We need an indoor pool! It's a joke that a 6A high school has to practice in Wamego or Genesis, how embarrassing	5/17/2024 12:16 PM
26	Not sure if the outdoor aquatics still includes a splash pad. For a mom with toddler twins not able to swim yet, the splash pad offered a safe water opportunity that I can do as a solo adult outnumbered by small children. The plaza, with opportunities to food truck events in combo with arts in the park programming could be a lot of fun. If more festivals were able to be hosted in the park, would the current planning of sidewalks and streets be conducive to these opportunities?	5/17/2024 11:47 AM
27	Love indoor aquatics!	5/17/2024 11:33 AM
28	We very much need a indoor pool	5/17/2024 10:56 AM
29	If only aquatics. Don't need another Rec	5/17/2024 10:51 AM
30	I do not love removing the existing outdoor pool, but the community NEEDS an indoor aquatic center so I would support it.	5/17/2024 10:11 AM
31	What a great central location for an indoor aquatic and rec center. This plan will be a much needed improvement to a very run down and underutilized park in the center of town. This will provide a higher level of activity in the park year round rather than just the summer months.	5/16/2024 10:24 PM
32	I don't think city park is a good place for the indoor pool to be. There are enough things to do at city park and it has the best outdoor pool already. It should have been done where the Douglas center is. It's too late for that now so find another location that isn't in an already established park. Most towns that have indoor aquatic centers do not have them in a park. How about on the East side of town where there are tons of empty lots that haven't sold for years across from the sale barn. A local group of doctors owns those so maybe talk to them and see if they	5/16/2024 10:07 PM

Manhattan Park System Master Plan - 20-Year Park Master Plan Concepts

would donate that land. Or over off of Levee drive there is a large area of land that banks up to linear trail that no one has ever built on, who owns that? Think outside the box for this project.

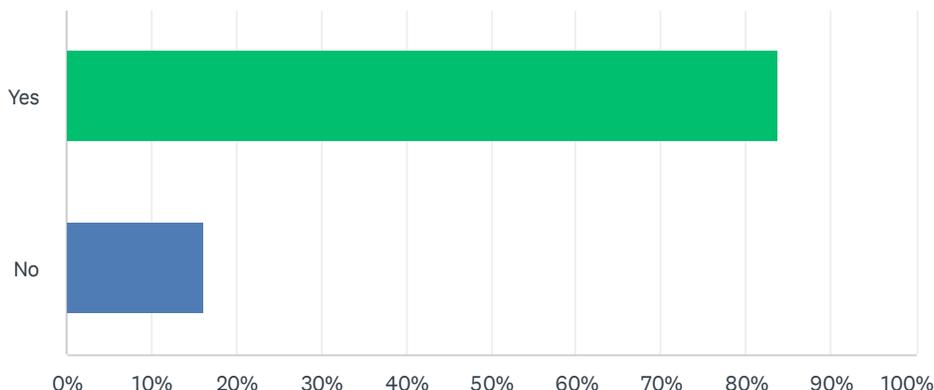

33	City Park open environment and current uses too valuable to loose.	5/16/2024 9:36 PM
34	City Park has many historic elements that should be recognized, retained, and celebrated. The Park as a whole is an important historic resource for the community. Please retain our historic village green. Please honor Jesse Baker by not destroying the field named in his honor. It is sad when park planners turn their backs on our community's honored past. Please find park planners who care about our city.	5/16/2024 6:11 PM
35	Like the idea of the aquatic center, it's very...eye catching.	5/16/2024 5:32 PM
36	Lol'm king foreword to indoor pool, also makes city park look more usable with more recreational space and not just fields.	5/16/2024 5:08 PM
37	Great idea	5/16/2024 5:00 PM
38	I think they should keep the park for the kids	5/16/2024 4:52 PM
39	i would love this but i want to keep city pool	5/16/2024 4:24 PM
40	Go-kart	5/16/2024 4:08 PM
41	Make a go cart place	5/16/2024 4:07 PM
42	Find another location for indoor pool. Obtain land from KSU near the intersection of Browning and Marlatt.	5/16/2024 4:00 PM
43	i think this is an amazing idea	5/16/2024 3:56 PM
44	Indoor pool and rec at city park makes sense!	5/16/2024 3:54 PM
45	This is good	5/16/2024 3:45 PM
46	Makes it a greater area span and I could spread information to other folks about this project .	5/16/2024 3:05 PM
47	We need an aquatic facility with indoor pool as soon as possible. In 20 years I'll be dead. It's been 5 years I've been living in MHK without affordable indoor swimming.	5/16/2024 1:27 PM
48	No big buildings in City Park!	5/16/2024 11:40 AM
49	Never Overspending and not feasible at all in the local economy. Aaron seems to build with tax payers money and leave things and move along to scam some other city to build his resume	5/16/2024 9:34 AM
50	I will not support any plan that puts the aquatic center in city park. I will not support filling in existing pool less than 20 yrs old and/or leaving City Park without an outdoor pool for any length of time.	5/16/2024 8:47 AM
51	What a waste of taxpayer money. How can the City even dare to propose to destroy the outdoor pool that was just so recently constructed??	5/16/2024 8:00 AM
52	This plan looks great! I think it is better than what we have now in city park.	5/16/2024 1:28 AM
53	I want to keep City Park a park, not turn it into a rec center. Find another place for a basic no frills aquatics center.	5/15/2024 9:17 PM
54	Do not ruin city park with giant aquatic facility.	5/15/2024 9:12 PM
55	Find another location for an aquatic center, better yet don't build one!	5/15/2024 9:05 PM
56	Not in city park and to much money I support aquatic center Scale it down	5/15/2024 8:58 PM
57	What happened to the baseball diamonds? Do we need another fitness center? Who will pay the staff??? Park seems to have a huge area concrete parking, in place of grass or ball diamonds.I	5/15/2024 8:44 PM
58	The indoor pool and rec center is too large for City Park and doesn't belong there.	5/15/2024 8:18 PM
59	The Marlins are driving this whole indoor pool demand.	5/15/2024 8:15 PM
60	We do not need another rec center.	5/15/2024 8:05 PM

Manhattan Park System Master Plan - 20-Year Park Master Plan Concepts

61	Don't mess with City Park. It's the only park that currently offers something for everyone of all ages. It has historical value and should not be bulldozed and revamped. Small revitalization yes, but not complete overhaul.	5/15/2024 7:55 PM
62	We don't need a 4th city owned rec center	5/15/2024 7:17 PM
63	No large structures in city park.	5/15/2024 6:16 PM

Q4 Would you support this 20-year concept plan for an indoor aquatics and recreation center?

Answered: 389 Skipped: 1

ANSWER CHOICES	RESPONSES	
Yes	83.80%	326
No	16.20%	63
TOTAL		389

#	OTHER COMMENTS:	DATE
1	This is an incredible design, so glad to see our city finally pursuing public indoor aquatics when so many towns smaller than us in our area already have it.	5/20/2024 8:38 AM
2	But NOT in city park.	5/19/2024 2:28 PM
3	There is a lot of community support for this- my family would love it- it could also be a feature for attracting and keeping young families here. If Wamego and many other smaller towns across Kansas can he be facilities like this Manhattan surely should	5/18/2024 10:10 AM
4	Extremely support	5/18/2024 9:07 AM
5	Needed a lot - my family would love to regularly utilize this for our kids to play/get lessons and for us to use for fitness purposes	5/18/2024 8:29 AM
6	Very needed	5/18/2024 6:55 AM
7	Need indoor aquatics within 3 years. Need to host swim meets. Need to recruit and retain K-State students and faculty and general workforce for the region. This will induce economic benefits beyond direct costs of operating the aquatic portion.	5/17/2024 11:01 PM
8	Would be an amazing addition to our city!	5/17/2024 10:24 PM
9	So needed! Love how it benefits everyone in the community from small kids to our seniors!	5/17/2024 10:04 PM
10	Support indoor pool; need a solution for now and this long term. Bubble Cico or City now, this is a long term plan	5/17/2024 6:52 PM
11	We need an aquatic center	5/17/2024 6:51 PM
12	🧐🐟	5/17/2024 6:50 PM
13	Douglass, Eisenhower, Antony Rec Centers already exist. In addition to their athletics areas	5/17/2024 6:26 PM

Manhattan Park System Master Plan - 20-Year Park Master Plan Concepts

there's also a gym at city hall; that's 4. Why do we need another one?

14	Manhattan is desperately in need of an indoor aquatics building!!! This would be great for the community!!	5/17/2024 5:52 PM
15	Manhattan swim team has always Placed well in league and state but is falling out of being competitive because they can't train like they should	5/17/2024 5:39 PM
16	I want an indoor pool only for competition swimming, practices and swim lessons. I do not want the additional indoor rec center nor an indoor swim facility for horse play and slides. It's too expensive for residents of Manhattan. I want a basic indoor competition swim area without all the frills and whistles. Like the natatorium was at KState. I would support an indoor pool. I would not support an indoor water park rec center.	5/17/2024 5:22 PM
17	Again, I love swimming, my daughter is on the team, but I can't in good conscience support this in city park, terrible use of green space that has been set apart in the city of town for over 100 years.	5/17/2024 5:01 PM
18	I love cool parks. Our community would improve so much with the improvement of our parks.	5/17/2024 4:56 PM
19	The most important need that we have in this city	5/17/2024 4:55 PM
20	All other teams in the sports league already have a comparable facility	5/17/2024 4:48 PM
21	Let's get this constructed!	5/17/2024 4:36 PM
22	Running track and indoor pool is perfect! Would love to see this come to fruition!	5/17/2024 4:33 PM
23	We desperately need an indoor aquatics facility.	5/17/2024 3:13 PM
24	I would generally encourage the focus to remain on the aquatics function and less on the workout, fitness, and gym portion of the program. We have private businesses and clubs willingly providing these services in addition to other city owned facilities. Aquatics unfortunately does not.	5/17/2024 2:37 PM
25	Why do we need another gym? Focus on the indoor aquatics. Save the capital \$. Indoor aquatics is the need. Get USD383 and KSU to partner up on the indoor. Can't get this passed with only sales tax dollars IMHO.	5/17/2024 2:23 PM
26	An indoor aquatics facility is desperately needed for MHS swim teams. It is not fair that we cannot have home meets and that some families have to drive all the way to Topeka to practice. I fully support an agreement between Manhattan Parks and Rec and MHS if MHS would be able to use the facilities.	5/17/2024 1:52 PM
27	Support the idea, but not the above design. It needs more gym space. I.e. Rock Chalk Park in Lawrence.	5/17/2024 1:50 PM
28	I feel like the city has recently provided multiple gyms and other things have gone neglected. While the strength and cardio equipment would be nice I don't feel we would get as much "bang for our buck" there with community use.	5/17/2024 1:41 PM
29	In 20 years, most of the people who oppose this will most likely not even be around. The fact that we FINALLY have a long term plan is amazing and has been needed. Put it on the ballot!	5/17/2024 1:36 PM
30	Please move forward with the indoor aquatics center. This has been showed over and over again for many years as a need the community wants. It is time to stop studying and move towards action!	5/17/2024 1:32 PM
31	I prefer our current pool layout with an only-outdoor pool	5/17/2024 1:02 PM
32	Very much in support.	5/17/2024 12:49 PM
33	It would support diving teams if you added a diving well into the indoor aquatics competition area.	5/17/2024 12:31 PM
34	But NOT in City Park!	5/17/2024 12:18 PM
35	See above	5/17/2024 12:16 PM
36	Manhattan is so far behind in this regard- we definitely need this type of facility	5/17/2024 12:08 PM
37	A free outdoor splash pad should be added, similar to how City Park has one now.	5/17/2024 11:47 AM

Manhattan Park System Master Plan - 20-Year Park Master Plan Concepts

38	Pool is a bit big, but I won't complain	5/17/2024 11:33 AM
39	I think you should focus on an aquatics center so the tax payers will agree to it. Adding other features will only add to the possibility of it failing.	5/17/2024 11:30 AM
40	Need a indoor pool	5/17/2024 10:56 AM
41	Such a HUGE need in our community!	5/17/2024 10:53 AM
42	Aquatics only	5/17/2024 10:51 AM
43	Competition diving blocks	5/17/2024 10:50 AM
44	YESSSSS!!!! WE NEED ONE	5/17/2024 10:49 AM
45	We need a pool! Please let us have a pool!	5/17/2024 10:47 AM
46	The sooner the better!	5/16/2024 10:24 PM
47	Not at city park though, be more creative and no need to destroy the fairly new and fun city pool that we currently have.	5/16/2024 10:07 PM
48	Depends on cost and location.	5/16/2024 9:36 PM
49	This indoor aquatics center is oversized and out of scale with City Park. Manhattan does not need a 50M indoor pool. Manhattan can not afford a 50M indoor pool. Build a reasonably sized indoor pool in CiCo Park or partner with K-State to find another location. Do not destroy City Park.	5/16/2024 6:11 PM
50	you should add a homeless shelter to the homeless. i don't think we have much of those.	5/16/2024 4:23 PM
51	All three of these additions would be great too add to the city!	5/16/2024 4:18 PM
52	Go-kart	5/16/2024 4:08 PM
53	Make a go cart place	5/16/2024 4:07 PM
54	Uncertain about location. Do not remove existing pools.	5/16/2024 4:00 PM
55	Indoor pools are money pits	5/16/2024 3:32 PM
56	With the addition of indoor pools that would be open all year round we don't have to wait for summer till pools open wich would really be ideal.	5/16/2024 3:05 PM
57	I think that you guys should add the recreation center one because it would be better	5/16/2024 2:58 PM
58	Why not?	5/16/2024 1:27 PM
59	Supportive of an indoor pool but not all the other junk and not in City Park!	5/16/2024 11:40 AM
60	Definitely not! Don't raise taxes again!	5/16/2024 10:56 AM
61	This is the worst idea MPR has ever had. What a waste of resources	5/16/2024 10:23 AM
62	NEVER Overspending and not feasible at all in the local economy. Aaron seems to build with tax payers money and leave things and move along to scam some other city to build his resume	5/16/2024 9:34 AM
63	I 100% support an aquatics center that would support competitive swimming as long as it is anywhere but City Park.	5/16/2024 8:47 AM
64	This plan is terrible. If an indoor aquatics facility should need to be built, if should not be built in City Park.	5/16/2024 8:00 AM
65	I am fully in support of this concept. If only we could have it very soon...	5/16/2024 1:28 AM
66	I would like to see the outdoor aquatic area to be made larger, especially if there are possible plans to choose other pools.	5/15/2024 11:13 PM
67	How much would it cost? How can I say yes when you don't list a price? Bad survey.	5/15/2024 9:17 PM
68	Support indoor aquatics, but not at the chosen location. Do not support pulling funding from other facilities such as the FHDC. I suggest shutting down the zoo and putting aquatic center	5/15/2024 9:12 PM

Manhattan Park System Master Plan - 20-Year Park Master Plan Concepts

there. It is a money pit for the city and the poor animals always look depressed.

69	We have multiple rec complexes that offer these spaces already. Why not explore bringing in a YMCA so the burden isn't on the citizens?	5/15/2024 9:05 PM
70	Seems to look more like an exclusive fitness club, that would prohibit those on a fixed income or lower income from being able to access.	5/15/2024 8:44 PM
71	I would support an indoor pool (not in City Park) but not with rec facilities because that adds too much to the cost and MHK just built 3 rec facilities.	5/15/2024 8:18 PM
72	The Marlins are driving this whole indoor pool demand.	5/15/2024 8:15 PM
73	At one point I felt an indoor aquatic center would be a nice feature, but now just a few years later nope. And honestly 3 rec centers is more than enough.	5/15/2024 8:05 PM
74	The only logical place for an indoor pool is at CiCo park in place of the current pool. This would alleviate the need to manage 3 outdoor pools and also give the public and MHS an indoor pool	5/15/2024 7:55 PM
75	Aquatics Only	5/15/2024 7:17 PM
76	Not if it's a city park and means tearing down other existing aquatics	5/15/2024 7:12 PM
77	Don't need more recreation centers, just an aquatic center!	5/15/2024 6:46 PM
78	No need for another rec center provided by government. Why survey without costs estimates.	5/15/2024 6:16 PM
