

# Sunrise Cemetery Master Plan

## History

- 1960: 80 acres established; current Cemetery Office was a farmhouse
- 1966: City constructed the shop, made improvements to the office, and paved streets
- 2008: extended paved road for columbarium
- 2018: extended Center and East Sunrise Drives for natural burial plots

## Concept Objectives

- Prioritize construction of a new ADA accessible office
- Visually screen shop area with vegetation
- Renovate existing shop
- Construct additional shop space
- Determine lot phasing
- Determine road construction phasing
